Chief Justice
Sir Wm Mulock

Dear Sir May I ask your kind consideration of my son Ernest Charlton Bogart who has this year won an "Edward Blake Scholarship" entitling him to three years in the University of Toronto We have made application to have this extended for one year on account of business depression. We are unable to take advantage of it this year. He has taken a school for this year in Muskoka. This is a grandson of Lyman Bogart an old grammer school mate with you in days gone by at Newmarket His mother is a niece of Elijah Prosser late of Keswick.

Yours Very Sincerely

Sir William Mulock,
Armitage, P.O.,
Ont.

Dear Sir William Mulock:

In the absence of President Falconer from his office on account of illness I beg to acknowledge the receipt of your letter enclosing one to you from Mrs. Bogart regarding a request from her son to have the payment of his scholarship deferred.

I have inquired from the Registrar regarding the petition, and he tells me that there will be no difficulty about the granting of the petition. There has been no meeting of the Senate for regular business since the petition has been sent in, but the matter will be attended to on the second Friday of October, and Mrs. Bogart will then receive word from the Registrar.

Yours very truly,

President's
Secretary.
